

SUNSHINE EXPRESS RAIL TOURS

invite you to travel on a steam train tour to

NOOSA OR MAPLETON FALLS

Saturday, 18th March 2017

Departing from Roma Street our train will stop to pick up passengers at Northgate, Lawnton and Caboolture. The train journey to the North Coast is always popular. After leaving suburbia behind, the train passes the spectacular Glass House Mountains and travels through pineapple plantations, citrus orchards as well as areas of virgin scrub and rain forest in Sunshine Coast Hinterland.

The steam train will take us as far as the thriving Hinterland town of Yandina. Our travellers will then have 4 choices:-

A. Join a coach which will take you to the seaside resort of Noosa Heads where you can have a swim in the ocean or just have lunch and breathe in the salt sea air.

B. Join a coach to travel to Mapleton Falls, then to Mapleton where you can purchase a bite to eat, or a nice cool drink.

C. Stay in Yandina, have lunch at one of the local eateries and have a look around town.

D. The train will be doing a short trip to Cooroy and return. You may purchase an additional ticket to travel on this shuttle.

THE TRAIN: A BB18¼ steam locomotive, one of Queensland Rail's preserved main line steam engines has been requested for this tour and is expected to be available. Wooden carriages from QR's heritage fleet will be used.
